The foregoing provision is intended to govern the distribution of the assets of the Association in the event of its dissolution in lieu of Section 22.304 of the Code.

ARTICLE XIII

INDEMNIFICATION

The Association shall indemnify any person who was, is, or is threatened to be made a named defendant or respondent in a proceeding (as hereinafter defined) because the person (a) is or was a director or officer of the Association, or (b) is or was serving at the request of the Association as a trustee, officer, partner, venturer, proprietor, director, employee, agent or similar functionary of another foreign or domestic corporation, partnership, joint venture, sole proprietorship, trust, employee benefit plan or other enterprise, to the fullest extent that a corporation may grant indemnification to a director under the Act, as the same exists or may hereafter be amended. Such right shall be a contract right and shall include the right to be paid by the Association expenses incurred in defending any such proceeding in advance of its final disposition to the maximum extent permitted under the Act, as the same exists or may hereafter be amended. If a claim for indemnification or advancement of expenses hereunder is not paid in full by the Association within 90 days after a written claim has been received by the Association, the claimant may at any time thereafter bring suit against the Association to recover the unpaid amount of the claim, and if successful in whole or in part, the claimant shall be entitled to also be paid the expenses of prosecuting such claim. It shall be a defense to any such action that such indemnification or advancement of costs of defense is not permitted under the Act, but the burden of proving such defense shall be on the Association. Neither the failure of the Association (including its Board of Directors or any committee thereof, special legal counsel or members) to have made its determination prior to the commencement of such action that indemnification of, or advancement of costs of defense to, the claimant is permissible in the circumstances nor an actual determination by the Association (including its Board of Directors or any committee thereof,

special legal counsel or members) that such indemnification or advancement is not permissible shall be a defense to the action or create a presumption that such indemnification or advancement is not permissible. In the event of the death of any person having a right of indemnification under the foregoing provisions, such right shall inure to the benefit of such person's heirs, executors, administrators and personal representatives. The rights conferred above shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, bylaw, resolution of members or directors, agreement or otherwise. To the extent permitted by then applicable law, the grant of mandatory indemnification to any person pursuant to this Article shall extend to proceedings involving the negligence of such person. The Association may additionally indemnify any person covered by the grant of mandatory indemnification contained in this Article to such further extent as is permitted by law and may indemnify any other person to the fullest extent permitted by law. The Association may purchase and maintain insurance or a similar arrangement (including, but not limited to, a trust fund, self-insurance, a letter of credit, or a guaranty or surety arrangement) on behalf of any person who is serving the Association (or another entity at the request of the Association) against any liability asserted against such person and incurred by such person in such a capacity or arising out of status of such a person, whether or not the Association would have the power to indemnify such person against that liability under this Article or by statute. Notwithstanding the other provisions of this Article, the Association may not indemnify or maintain insurance or a similar arrangement on behalf of any person if such indemnification or maintenance of insurance or similar arrangement would subject the Association to income or other tax under the Code.

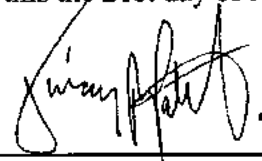

ARTICLE XIV

LIMITATION OF DIRECTOR AND OFFICER LIABILITY

A director or officer of the Association shall not be personally liable to the Association or its members for monetary damages for any act or omission in such director's or officer's capacity as a director or officer, except that this Article does not authorize the elimination or limitation of the liability of a director or officer to the extent the director or officer is found liable for: (a) a breach of the director's or officer's duty of loyalty to the Association; (b) an act or omission not in good faith that constitutes a breach of duty of the director or officer to the Association or an act or omission that involves intentional misconduct or a knowing violation of the law; (c) a transaction from which the director or officer received an improper benefit, whether or not the benefit resulted from an action taken within the scope of the director's or officer's office; or (d) an act or omission for which the liability of a director or officer is expressly provided by an applicable statute. The foregoing elimination of liability to the Association and its members shall not be deemed exclusive of any other rights, limitations of liability or indemnity to which a director or officer may be entitled under any other provision of the Articles of Incorporation or Bylaws of the Association contract or agreement, vote of members or directors, principle of law or otherwise. Any repeal or amendment of this Article shall be prospective only, and shall not adversely affect any limitation on the personal liability of a director or officer of the Association existing at the time of such repeal or amendment. In addition to the circumstances in which a director or officer of the Association is not personally liable as set forth in the foregoing provisions of this Article, the liability of a director or officer shall be eliminated to the full extent permitted by any amendment to the Code

hereafter enacted that further eliminates or permits the elimination of the liability of a director or officer.

IN WITNESS WHEREOF, I have hereunto set my hand this the 21st day of January, 2016.

In the event of any dispute or disagreement between any Members relating to the Property, any questions of interpretation or application of the provisions of the Declaration,

Section 4.02. Place of Meeting. Meetings of the Association shall be held at such suitable place, reasonably convenient to the Members, within the State of Texas, Counties of Tarrant or Dallas, as the Board of Directors may determine.

Section 4.03. Annual Meetings. The first meeting of the Association shall be held as determined by the initial Board of Directors, or their successors, after the date of incorporation of the Association, and each subsequent regular annual meeting of the Members shall be held as determined by the Board of Directors. At the first annual meeting of the Association, there shall be elected a Board of Directors by ballot of the Members in accordance with the requirements of Article V of these Bylaws. The Members may also transact such other business of the Association as may properly come before them at such meeting. If the day for the annual meeting of the Members is a legal holiday, the meeting will be held at the same hour on the first day following such day which is not a legal holiday.

Section 4.04. Special Meetings. It shall be the duty of the President of the Association to call a special meeting of the Members as directed by resolution of the Board of Directors or upon receipt of a written request from Members entitled to vote at least one-third (1/3) of all of the votes of either class of membership. No business except as stated in the notice shall be transacted at a special meeting of the Members. Notwithstanding the above, any special meetings shall be held within forty-five (45) days after receipt by the President of such request or petition.

Notwithstanding any provision in the Bylaws to the contrary, the presence of the Members, in person, by proxy or other means allowed by law, shall constitute a quorum for the sole and exclusive purpose of conducting an election of directors at any meeting of the Association. No other business may be transacted at a meeting convened under this Section 4.06A. In order to conduct business of the Association at a meeting of the Members other than the election of directors, the applicable quorum requirement contained in Section 4.06 of these Bylaws must be satisfied. In the event of a conflict between this Section 4.06A and any other provision in the Bylaws, the terms and conditions of this Section 4.06A shall control.

Section 4.07. Proxies, Absentee Ballots and Electronic Ballots. At all meetings of Members, each Member may vote in person, by proxy, absentee ballot or electronic ballot in accordance with applicable law. The officer or agent having charge of the membership books shall make a complete list of the Members entitled to vote at each such meeting or any adjournment thereof arranged in alphabetical order, with the address of each Member, which list shall be kept on file at the principal office of the Association, and shall be subject to inspection by any Member at any time during usual business hours. Such list shall also be produced and kept open at the time and place of the meeting, and shall be subject to the inspection of any Member during the whole time of the meeting. The Association membership list shall be prima facie evidence as to who are the Members entitled to examine such list or to vote at any such meeting of Members.

Section 4.10. Tabulation of Votes. Any person who tabulates ballots in an Association election or vote may not disclose how a Member or individual voted. A person who is a candidate or otherwise the subject of an Association vote, or a person related to that person within the third

degree of affinity or consanguinity, may not tabulate or otherwise be given access to the ballots cast in an election or vote.

Section 4.11. Recounts. Any Member may, not later than the 15th day after the date of the meeting at which the election or vote was held, require a recount of the votes. A demand for a recount must be submitted in writing either:

The Association shall, at the expense of the Member requesting the recount, retain for the purpose of performing the recount, the services of a person qualified to conduct a recount. The Association shall enter into a contract for the services of a person who:

Any recount must be performed on or before the 30th day after the date of receipt of a request and payment for a recount. If the recount changes the results of the election, the Association shall reimburse the requesting Member for the cost of the recount. The Association shall provide the results of the recount to each Member who requested the recount. Any action taken by the Board in the period between the initial election vote tally and the completion of the recount is not affected by any recount.

ARTICLE V

BOARD OF DIRECTORS

Section 5.01. Number and Qualification. The affairs of the Association shall be governed by a Board of Directors consisting, initially, of the three (3) persons set forth in the Association's Certificate of Formation. During the Development Period, except as otherwise expressly provided by Section 209.00591(c) of the Texas Property Code or any successor statute, all Directors shall be selected and removed by Declarant acting in its sole discretion and shall serve at the pleasure of the Declarant. At the first annual meeting after the Development Period, there shall be elected by the Members at least three (3) and no more than five (5) directors to the Board of Directors who shall thereafter govern the affairs of the Association until their successors have been duly elected and qualified. Other than Directors appointed by the Declarant, all Directors must be Members of the Association and no person may serve on the Board of Directors if the person cohabits at the same residence with another Board member of the Association. The number of individuals to sit on the Board of Directors may be increased over five (5) by amendment of these Bylaws.

Prior to each election after the Development Period, the Board of Directors shall prescribe the opening date and the closing date of a reasonable filing period in which each and every eligible person who has a bona-fide interest in serving as a director may file as a candidate for any position. The Board of Directors shall also establish such other rules and regulations as it deems appropriate to conduct the nomination of directors in a fair, efficient and cost-effective manner. Nominations from the floor shall also be permitted.

Section 5.02. Powers and Duties. The Board of Directors shall have the powers and duties necessary for the administration of the affairs of the Association and for the operation and maintenance of the Property and the Common Properties in keeping with the character and quality of the area in which it is located. The business and affairs of the Association shall be managed by or under the direction of the Board of Directors which may exercise all such powers of the Association and do all such lawful acts and things as are not by statute, the Certificate of Formation, these Bylaws or the Declaration, directed or required to be exercised or done by the members. The Board of Directors may, by adoption of such action in accordance with this Article V, delegate specific Association management responsibilities to an authorized person or entity; provided, however, such delegation shall not relieve or release the Board of Directors of any duty to oversee, manage or direct the business and affairs of the Association. The Board of Directors shall be specifically authorized to promulgate and amend, from time to time, a policy setting forth procedures by which violation fines are to be levied for violations of the Declaration, the design or architectural guidelines, or any rule or regulation of the Association.

The powers and duties of the Board of Directors shall include, without limitation:

- (a) preparing and adopting, in accordance with the Declaration, an annual budget establishing each Owner's share of the Common Expenses, and determining the amount(s) of all assessments;

- (b) levying and collecting such assessments from the Owners;
- (c) providing for the operation, care, upkeep and maintenance of the Common Areas;
- (d) designating, hiring, and dismissing the personnel necessary to carry out the rights and responsibilities of the Association and where appropriate, providing for the compensation of such personnel and for the purchase of equipment, supplies and materials to be used by such personnel in the performance of their duties;
- (e) depositing all funds received on behalf of the Association in appropriate bank accounts or in other accounts approved by the Board of Directors, and using such funds to operate the Association; provided, any reserve funds may be deposited, in the Board of Directors' good faith best business judgment, in depositories other than banks;
- (f) making, amending and enforcing policies, resolutions, rules and regulations governing the administration and operation of the Association, including but not limited to, policies and procedures regarding the application of payments for assessments, late charges, interest, costs of collection (including, but not limited to, attorneys' fees), fines and any and all other charges received from Owners;
- (g) opening the bank accounts on behalf of the Association and designating the signatories required;
- (h) making or contracting for the making of repairs, additions and improvements to or alterations of the Common Areas in accordance with the Declaration and these Bylaws;
- (i) enforcing the provisions of the Declaration and any rules or standards developed pursuant to the Declaration, the Certificate of Formation and/or these Bylaws, and bringing any legal proceedings which may be instituted on behalf of or against the Owners concerning the Association; provided, the Association's obligation in this regard shall be conditioned in the manner provided in the Declaration;
- (j) obtaining and carrying insurance as provided in the Declaration, paying the cost thereof, and filing and adjusting claims, as appropriate;
- (k) paying the cost of all services rendered to the Association;
- (l) keeping books with detailed accounts of the receipts and expenditures of the Association;
- (m) taking such actions as contemplated by the Board of Directors in the Declaration, these Bylaws and/or the Certificate of Formation;

(n) permitting utility suppliers to use portions of the Common Area reasonably necessary to the ongoing development or operation of the Property; and

(o) indemnifying a director, officer or committee member, or former director, officer or committee member of the Association or any agent, contractor or management company of the Association to the extent such indemnity is required or permitted under Texas law, the Certificate of Formation or the Declaration.

Section 5.03. No Waiver of Rights. The omission or failure of the Association or any Member to enforce the covenants, conditions, restrictions, easements, uses, liens, limitations, obligations or other provisions of the Declaration, these Bylaws or the rules and regulations adopted pursuant thereto or hereto, shall not, in any event, constitute or be deemed a waiver, modification or release thereof, and the Board of Directors shall have the right to enforce the same at any time thereafter.

Section 5.04. Election and Term of Office. As to the first Directors elected by the Members after the Development Period, the term of office for at least two (2) Directors shall be fixed at two (2) years and the term of office for the remaining Directors shall be fixed at one (1) year. Thereafter, the term of office for each Director shall be fixed at two (2) years. The Directors shall hold office until their successors have been elected and hold their first meeting, except as is otherwise provided herein. The terms of Directors may be changed by amendment of these Bylaws. Notwithstanding the foregoing, for those Directors elected pursuant to Section 209.00591(c) of the Texas Property Code, as amended, the term of office is the earlier of two (2) years or the turnover or transition meeting, at which time the seat will be filled by election. If an elected Director vacates the seat during the term, it must be filled with an elected Director at the next annual meeting or at any special meeting of the Association called for that purpose.

Section 5.05. Vacancies. Vacancies in the Board of Directors after the Development Period caused by death, resignation or disqualification (*i.e.*, by any reason other than the removal of a Director by a vote of the Association as set forth in Section 5.06 hereof) shall be filled by the unanimous vote of the remaining Directors, and each person so elected shall be a Director until the expiration of that term. If the remaining Directors cannot unanimously agree, a special meeting of the Members shall be held to fill the vacancy. Vacancies caused by an increase in the Board of Directors shall be filled by a vote of the Members at a special or annual meeting of the Members. Vacancies in the Board of Directors caused by a removal of a Director by a vote of the Association shall be filled in the manner set forth in Section 5.06 hereof.

Section 5.06. Removal of Directors. At any annual or special meeting of the Association duly called, any one or more of the Directors elected by the Members may be removed with or without cause by the affirmative vote of a majority of Members entitled to vote who are present at a duly convened meeting, and a successor may then and there be elected to fill the vacancy thus created. Any Director whose removal has been proposed by the Members shall be given an opportunity to be heard at the meeting.

Section 5.06A. Removal of Directors by Directors. A Director may not be removed by the remaining Directors, except for the following limited reasons for which a Director may be removed by at least a majority of the other Directors.

- a. **Criminal Conviction.** A majority of the remaining Directors may remove a Director for whom the Board of Directors receives documented evidence from a governmental law enforcement authority that the director was convicted of a felony or crime involving moral turpitude within the previous 20 years.
- b. **Additional Reasons.** The following reasons for removal apply to Directors who are owners to the extent not prohibited by applicable law for owners who serve on boards of property owners associations.
 - (1) The Director is a party adverse to the Association, the Board of Directors, a committee of the Association, or individual officers, directors, or committee members, acting in those capacities, in pending litigation, provided the Association did not file suit to effect removal of the Director.
 - (2) The Director has refused or failed to attend three (3) or more meetings of the Board of Directors.

Section 5.07. Regular Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined, from time to time, by a majority of the Directors, but at least one (1) such meeting shall be held every six months. Notice of regular meetings of the Board of Directors shall be given to each Director, personally or by mail, telephone, electronic mail or facsimile, at least 72 hours prior to the day named for such meeting.

Section 5.07A. Adversarial Director. This section applies to a director who initiates, threatens, supports, or engages in conduct that is likely to result in legal action against one or more directors in their capacity as Directors, the Board of Directors, or the Association (an "*adversarial director*"). A majority of the remaining Directors or the attorney representing the Association may exclude or remove the adversarial director from executive sessions, meetings, or communications during which the likely, threatened, or pending legal action is considered.

Section 5.07B. Emergency Board Meetings. INDEMNIFICATION OF OFFICERS AND DIRECTORS

Section 7.01. Indemnification. (a) The Association shall indemnify, to the extent provided in the following paragraphs, any person who is or was a director, officer, agent or employee of the Association. In the event the provisions of indemnification set forth below are more restrictive than the provisions of indemnification allowed by Chapter 8 of the Texas Business Organizations Code (the "Code"), then such persons named above shall be indemnified to the full extent permitted by the Code as it may exist from time to time.

(b) In case of a threatened or pending suit, action or proceeding (collectively, "*Suit*"), whether civil, criminal, administrative or investigative (other than an action by the Association), against a person named in paragraph (a) above by reason of such person's holding a position named in such paragraph (a), the Association shall indemnify such person, if such person satisfies the standard contained in paragraph (c) below, for amounts actually and reasonably incurred by such person in connection with the defense or settlement of the Suit as expenses (including court costs and attorneys' fees), amounts paid in settlement, judgments, penalties (including excise and similar taxes), and fines.

(c) A person named in paragraph (a) above will be indemnified only if it is determined in accordance with paragraph (d) below that such person:

(i) acted in good faith in the transaction which is the subject of the Suit; and

(ii) reasonably believed:

(A) if acting in his or her official capacity as director, officer, agent or employee of the Association, that his or her conduct was in the best interests of the Association; and

(B) in all other cases, his or her conduct was not opposed to the best interests of the Association; and

(iii) in the case of any criminal proceeding, had no reasonable cause to believe that his or her conduct was unlawful.

The termination of a proceeding by judgment, order, settlement or conviction, or upon a plea of nolo contendere or its equivalent, will not, of itself, create a presumption that such person failed to satisfy the standard contained in this paragraph (c).

(d) A determination that the standard in paragraph (c) above has been satisfied must be made:

(i) by the Board of Directors by a majority vote of a quorum consisting of Directors who, at the time of the vote, are not named defendants or respondents in the proceeding; or

(ii) if such quorum cannot be obtained, by a majority vote of a special committee designated to act in the matter by a majority vote of all Directors, consisting solely of two (2) or more Directors who at the time of the vote are not named defendants or respondents in the proceeding; or

(iii) by special legal counsel selected by the Board of Directors or a committee of the Board of Directors by vote as set forth in subparagraphs (i) or (ii) above, or, if such a quorum cannot be obtained and such a committee cannot be established, by a majority vote of all Directors.

(e) Determination as to reasonableness of expenses must be made in the same manner as the determination that indemnification is permissible, except that if the determination that indemnification is permissible is made by special legal counsel, determination as to reasonableness of expenses must be made in the manner specified by subparagraph (d)(iii) above for the selection of special legal counsel.

(f) The Association may reimburse or pay in advance any reasonable expenses (including court costs and attorneys' fees) which may become subject to indemnification under paragraphs (a) through (e) above, but only in accordance with the provisions as stated in paragraph (d) above, and only after the person to receive the payment (i) signs a written affirmation of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification under paragraph (c) above, and (ii) undertakes in writing to repay such advances if it is ultimately determined that such person is not entitled to indemnification by the Association. The written undertaking required by this paragraph must be an unlimited general obligation of the person but need not be secured. It may be accepted without reference to financial ability to make repayment.

(g) The indemnification provided by paragraphs (a) through (e) above will not be exclusive of any other rights to which a person may be entitled by law or vote of members or disinterested Directors, or otherwise.

(h) The indemnification and advance payment provided by paragraphs (a) through (c) above will continue as to a person who has ceased to hold a position named in paragraph (a) above and will inure to such person's heirs, executors and administrators.

(i) The Association may purchase and maintain insurance on behalf of any person who holds or has held any position named in paragraph (a) above against any liability incurred by such person in any such position, or arising out of such person's status as such, whether or not the Association would have the power to indemnify such person against such liability under paragraphs (a) through (f) above.

(j) Indemnification payments and advance payments made under paragraphs (a) through (i) above are to be reported in writing to the Members of the Association in the next notice or waiver of notice of annual meeting, or within twelve (12) months after the payments are made, whichever is sooner.

(k) All liability, loss, damage, cost and expense incurred or suffered by the Association by reason of or arising out of, or in connection with, the foregoing indemnification provisions shall be treated and handled by the Association as an expense subject to special assessment.

(b) The contract or transaction referred to in paragraph (a) above will not be void or voidable if:

(i) the Director, relative, or company bids on the proposed contract and the Association has received at least two other bids for the contract from persons not associated with the Director, relative, or company, if reasonably available in the community;

(ii) the Director:

(A) is not given access to the other bids;
